THE COMPENDIUM ASSIST APP PLATFORM IS AN INNOVATIVE MOBILE SOLUTION for you and your family.

By utilising design thinking and functional excellence, we have developed a powerful technology solution to manage life's little curve balls! This handy and innovative App will ensure that your family always has a trusted provider for all Emergency events, and the ideal solution to keeping them safe and connected. The powerful platform ensures seamless connection between you in emergency situations and highly trained Case Managers, via a Live Chat feature and the 24 hour Total Care function. Our Case Managers will have access to verified personal, asset and location data, to provide a hassle free experience from start to finish. Compendium Assist App is a simple to use mobile solution that keeps your family in direct contact with us, 24 hours a day, 365...no matter the emergency!
